 STERLING V RANCH - KIKO GOATS

Hi there!

We founded our Kiko herd in 2016 with this plan.

- Always breed for a meat goat phenotype.
- Never sacrifice maternal instinct or parasite resilience.
- Cull hard any undesirable traits.

It was how we thought to best make the goats work for us and not the other way around.

Today our goats can be found working successfully for farms across the country.

We all start somewhere. So whether you have Kikos now - or just think you might want to - you are in the right place. Introduce yourself. Ask questions. "Goat people" are some of the nicest people around, and we all love to talk goats!

Enjoy the sale and thanks for looking,

Eric & Amy

TERMS AND CONDITIONS

BIDS & DISPUTES: In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the Buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

ANNOUNCEMENTS: Every effort was made to assure the correctness of this catalog, however all announcements from the auction block will take precedence over printed matter in catalog. Buyers are therefore cautioned to pay attention to all such announcements.

CERTIFICATES OF REGISTRY: A copy of the Certificate of Registration will be furnished to the Buyer for each animal at the conclusion of the sale. After payment has been processed, the certificate and transfer application will be submitted by the seller to the NKR Registrar. After the transfer has been completed, the original certificate will be mailed to the Buyer.

EMBRYOS & SEMEN: All shipping fees for frozen embryos and frozen semen will be the responsibility of the buyer. It is the responsibility of the buyer and seller to finalize the transfer of the frozen embryos and frozen semen.

RIGHTS & OBLIGATIONS: The above terms of the sale will constitute a contract between the Buyer & the Seller and be equally binding to both.
